

## Nibble AI Usage Policy

This Nibble AI Usage Policy (the “AI Usage Policy”) applies to our AI-powered features offered within our Services (the “Nibble AI”), including, without limitation, AI-chat with characters and personalities (the “AI-chat”). Before you start interacting with our AI-powered features, please carefully review this AI Usage Policy, which is an integral part of our [Terms and Conditions of Use](#). We reserve the right to modify this AI Usage Policy at our discretion from time to time, to the extent permitted by applicable law.

By accessing or using any of our AI-powered features, you acknowledge that you have read, understood, and agree to be bound by this AI Usage Policy. IF YOU DO NOT AGREE WITH ANY PART OF THIS AI USAGE POLICY, OR IF YOU ARE NOT ELIGIBLE OR AUTHORIZED TO BE BOUND BY THIS AI USAGE POLICY, THEN DO NOT INTERACT WITH NIBBLE AI.

We rely on third-party service providers to enable Nibble AI. Please note that certain features may not be available on your device due to technical requirements or limitations related to local processing or compatibility.

### 1. Your Use of Nibble AI

Our AI-powered features are provided “as is”. We do not guarantee the accuracy, quality, completeness, reliability, suitability, availability, or performance of these features or any resulting output, nor do we guarantee your satisfaction with the relevant feature.

You acknowledge and agree that:

- You are solely responsible for how you use the AI-generated outputs.
- AI-generated outputs may contain inaccuracies, errors, or biases. You should use them with caution and apply your own judgment and critical thinking.
- Nibble AI may not cover every possible scenario or question. Its capabilities focus on our Services, and you are encouraged to utilize Nibble AI within the scope of its intended purposes.
- We are not liable for any impact these features may have on your personal or professional life, including decisions, outcomes, or emotional responses resulting from your use of the AI-generated outputs.
- You are solely responsible for the content you submit to Nibble AI and how you use the outputs. You acknowledge and agree that your use of the AI-powered features will comply with all applicable laws and regulations, our Terms and Conditions of Use, and any other applicable Nibble’s agreements and policies, third party’s policies as may be applicable, and will not infringe upon, violate, or misappropriate any of Nibble’s rights or the rights of any third party.

Accuracy, Biases, and Hallucinations: AI models are complex and constantly evolving. Nibble AI is developed to provide information based on its most up-to-date knowledge. While we make every effort to ensure the accuracy of the information provided, users should be aware that

Nibble AI may not always reflect the most current developments, news, or changes. Users are encouraged to verify critical information from reliable sources independently. You are responsible for validating information obtained through Nibble AI, understanding its limitations, and using its judgments accordingly.

You should be aware that:

- AI models can sometimes generate information that is plausible but incorrect or nonsensical (“hallucinations”).
- AI models are trained on vast datasets, which may reflect societal biases present in the training data. Therefore, outputs may be biased or unfair.
- The information provided by AI may not always be up-to-date, complete, or entirely accurate. It should not be considered a substitute for verified facts or professional advice.

## 2. Specific Rules for AI-Chat

Purpose: The AI-chat feature is designed to offer an engaging and interactive experience through conversations with various fictitious or non-existent personalities and characters. It allows you to explore topics, practice communication, and interact with fictional characters designed to enhance your learning journey.

**The personalities and characters within the AI-chat are entirely fictional or non-living. Any advice, opinions, or information they provide is generated by an AI and should be treated as such. They are not real individuals and do not possess genuine emotions, consciousness, or personal experiences.**

Data: The AI-chat is designed to operate without requiring you to input any personal identifying information. Please do not enter any sensitive information (e.g., address, financial details, health data) into the chat. We may analyze the automatically collected information about your interaction with the AI-chat (e.g., frequency of use, feature engagement). This data helps us understand how our features are used, improve their performance, and enhance your overall experience.

Age Restriction: The AI-chat feature is intended for and available only to users who are 18 years of age or older. By using this feature, you confirm that you meet this requirement.

No Training: We utilize Anthropic’s Claude via API to power our AI-chat. Anthropic has committed that the data you input and outputs you receive will not be used to train their models. Your conversations are processed to generate responses but are not retained or used by Anthropic for model improvement.

## 3. Prohibited Use

Nibble reserves the right to take appropriate action, including the suspension or termination of Nibble AI access, in response to any violation of this AI Usage Policy. We don’t allow the use of Nibble AI for the following:

#### **4. DISCLAIMER**

WE DO NOT OFFER OR PROVIDE ANY KIND OF MEDICAL ADVICE OR OTHER HEALTHCARE SERVICE, INCLUDING WITHOUT LIMITATION, ANY TESTING, DIAGNOSIS, OR EVALUATION RELATED TO MENTAL HEALTH. IF YOU HAVE ANY PROBLEM WITH YOUR HEALTH, YOU SHALL VISIT, CALL, OR CONSULT WITH YOUR PHYSICIAN OR OTHER HEALTHCARE PROFESSIONALS.

THE NIBBLE AI'S RESPONSES ARE FOR INFORMATIONAL PURPOSES ONLY. YOU SHOULD NOT CONSTRUE ANY SUCH INFORMATION OR OTHER MATERIAL AS MEDICAL, LEGAL, TAX, INVESTMENT, FINANCIAL, OR OTHER ADVICE. YOU ALONE ASSUME THE SOLE RESPONSIBILITY OF EVALUATING THE MERITS AND RISKS ASSOCIATED WITH THE USE OF ANY INFORMATION ON THE COURSE BEFORE MAKING ANY DECISIONS BASED ON SUCH INFORMATION.

## **5. Privacy and Security**

When interacting with Nibble AI, you shall not share personal information, including but not limited to personal data, passwords, financial details, or confidential information. Nibble AI is not designed to handle or store such information. If you encounter any communication that appears to be seeking such information, please report it immediately to [support@nibble-app.net](mailto:support@nibble-app.net). Conversations with Nibble AI may be logged and or stored beyond the current session.

Users are responsible for ensuring the security of their devices and accounts. Nibble is not liable for any unauthorized access or security breaches that may result from the user's failure to maintain the security of their personal information.

## **6. Limitation of Liability**

Nibble makes no express or implied warranties, including warranties of merchantability or fitness for a particular purpose, on Nibble AI. To the maximum extent permitted by applicable law, Nibble, its affiliates, directors, employees, agents, and representatives shall not be liable for any direct, indirect, incidental, special, consequential, or exemplary damages, including but not limited to damages for loss of profits, goodwill, use, data, or other intangible losses, arising out of or in connection with the use or inability to use Nibble AI. We assume no responsibility for any errors, inaccuracies, omissions, or other deficiencies in Nibble AI's responses. Users expressly agree that their use of Nibble AI is at their sole risk. We do not warrant that Nibble AI will meet user requirements, be uninterrupted, secure, error-free, or that any defects will be corrected. In jurisdictions where the exclusion or limitation of liability for consequential or incidental damages is not allowed, Nibble's liability is limited to the maximum extent permitted by law. We disclaim any liability for any actions taken or not taken based on the information provided by Nibble AI. Users are responsible for independently verifying critical information and making decisions based on their judgment.

If you have any questions or concerns about this AI Usage Policy or our AI-powered features, please contact us at [support@nibble-app.net](mailto:support@nibble-app.net).
