

SUBSCRIPTION TERMS

1. Trial

We may offer a free or paid trial subscription for the Nibble mobile application and its website, located at <https://nibble-app.com/>. Unless you cancel at least 24 hours before the end of the trial, you will be automatically charged the price indicated on the payment screen for the chosen subscription period.

2. Subscription

The subscription renews automatically at the end of each period (each week, month, 6 months, year, or otherwise, depending on the option selected by you at the time of purchase) until you cancel.

3. Payment method

Payment will be charged to the payment method you submitted at the time of purchase when you confirm your purchase. You authorize us to charge the applicable subscription fees to the payment method that you submit.

4. Cancellation

Canceling your subscription means that the automatic renewal will be disabled, but you will still have access to all your subscription features for the remaining time of your then-current period. Note that deleting the app does not cancel your subscriptions.

If you purchased a subscription or enabled a trial on the App Store: You can cancel a trial or a subscription anytime by turning off auto-renewal through your Apple ID account settings. To avoid being charged, cancel the subscription in your Apple ID account settings at least 24 hours before the end of the free trial or then-current subscription period. You alone can manage your subscriptions. Learn more about managing subscriptions (and how to cancel them) on the [Apple support page](#).

If you purchased a subscription or enabled a free trial on Google Play: You can cancel a free trial or a subscription anytime by turning off auto-renewal through your Google Play account settings. To avoid being charged, cancel the subscription in your account settings at least 24 hours before the end of the free trial or then-current subscription period. You alone can manage your subscriptions. Learn more about managing subscriptions (and how to cancel them) on [Google's support page](#).

If you purchased a subscription or enabled a trial on our website: You can cancel a free trial or a subscription by contacting our support at support@nibble-app.com or by clicking on the "Cancel Subscription" button in your account on our website before the end of the free trial or then-current subscription period.

5. Changes

To the maximum extent permitted by applicable laws, we may change subscription fees at any time. We will give you reasonable notice of any such pricing changes by posting the new prices on the app and/or by sending you an email notification, or in other prominent way. If you do not wish to pay the new fees, you can cancel the applicable subscription before the change takes effect.

6. Refunds

If you purchased a subscription or enabled a free trial on the App Store: If you are eligible for a refund, you'll have to request it directly from Apple. To request a refund, follow the instructions on the [Apple support page](#).

If you purchased a subscription or enabled a free trial on Google Play: If you are eligible for a refund, you'll have to request it directly from Google. To request a refund, follow these instructions from [Google's support page](#).

In both cases, we may provide certain data (e.g., your subscription status, account activity, and usage data) to the relevant App Store to assist in processing your refund request transparently and fairly. By using our Services, purchasing subscriptions via App Stores, and submitting a refund request through these platforms, you expressly consent to the sharing of the necessary account and usage data with the relevant App Store for this purpose.

If you purchased a subscription or enabled a free trial on our website: Please refer to our [Terms and Conditions](#).

If you have any questions regarding the subscription terms, please contact us at support@nibble-app.com. Please take a screenshot of this information for your reference. This may help you control your subscriptions.
